### THE GRANITE GROUP NETWORKED EMERGENCY ON-CALL SERVICE

The Granite Group knows that not all emergency service calls happen between 6:30am- 4:30pm weekdays. Which is why we have created our Networked On-Call Service. If you have an after-hours or weekend emergency, our Networked On-Call service has the technology and the talent to solve your off-hour needs quickly and thoroughly. With our Networked calling system we will find the inventory you need and figure out how to get it to you in the best possible manner. There is a \$50.00 fee for the Networked Service. **This fee will go to the Associate on call.**

**The Granite Group receives no compensation for this service.**
