MARCH 2019

ONLINE STORE'S TNT: "TUBS & TOILETS" EXPLOSIVE SAVINGS INCENTIVES

Ask for details about The Granite Group's TNT OnLine Store promotion for March. Receive "Explosive Savings" on select items from: Kohler, Gerber, Oasis and Sterling Plumbing. Once you purchase the tub or toilet you qualify for additional savings on the installation accessories: 4PRO, Brasscraft and Gerber Drains.

GRANITE GROUP IN FULL SUPPORT OF UPCOMING ASSOCIATION TRADE SHOWS

The Granite Group is Partners with many great Associations in our industry. March is trade show month for many of these associations. We will be on display March 2nd at the Mass PHCC show, March 16th with the Connecticut PHCC and March 22nd with the Maine PHCC, and on April 9th with the Connecticut Heating & Cooling Association. Ask your local Granite Group Contact for show locations and show hours.

HVAC NEWS

The Granite Group will be offering a consumer rebate of up to \$500 on Mitsubishi heat pumps starting April 1st. Last year participating dealers saw their sales increase 40% over the previous year! This program is for Diamond Contractors only. Please contact your TGG associate if you are interested in learning about the Diamond Contractor Program

PRICING UPDATES MARCH 2019

Due mostly to Tariffs and material cost increases, we anticipate price changes in March on the following products: Bosch, Webstone, Rectorseal, Sharkbite and Charlotte soil pipe and fittings.

4PRO HYDRONIC AND POTABLE EXPANSION TANKS INTRODUCED

We are excited to announce that our 4PRO line is expanding again! The Granite Group now stocks 4PRO hydronic tanks in 2.1 gal, 4.5 gal and 6 gal sizes. We also now stock 2.1 gal and 4.8 gal. potable water expansion tanks. Our hydronic tanks carry a 5-year warranty, with the potable having a 1-year warranty.

UPONOR ProPEX LEAD FREE PRESS ADAPTERS ADDED TO INVENTORY

The Granite Group now stocks Uponor's, first in the industry, ProPEX-to-copper-press adapters. These adapters provide fast, reliable connections while eliminating hot work concerns. These copper press adapters are available from

1/2" - 3" and are manufactured from high-quality, lead-free brass that meets potable plumbing requirements.
